

## Program Selection Policy

The Toledo Electrical Joint Apprenticeship Training Committee (TEJATC) encourages all applicants to apply to all available programs. Upon being selected to a specific TEJATC program and accepting to either the Inside, Residential or Installer Technician program, the applicant's name will be removed from all other current selection lists and/or the application will be rescinded from the other TEJATC programs. This policy is necessary to keep continuity in the programs and the financial investment the TEJATC has in educating each apprentice. This policy will take effect August 11<sup>th</sup>, 2020.
